

Holy Textures

Privacy Statement

I, David Ewart, do not use in any way whatsoever, any personal information that may be communicated as you view and use the materials provided on www.holytextures.com.

However, in order to provide Holy Textures, I make use of services provided by others.

Typepad.com is my blog service provider. Their privacy policy is here:

<http://www.typepad.com/legal/privacy.html>.

Google.com provides the search option and the email subscription service. I also use their Analytics service which provides me data on how my blog is being accessed. Their privacy policy is here:

<http://www.google.com/intl/en/policies/privacy>.

I also share my blog posts to Facebook and Twitter. Their privacy statements are here:

Facebook: <http://www.facebook.com/about/privacy>

Twitter: <https://twitter.com/privacy>.

I do not, make any promises or guarantees as to how Typepad, Google, Facebook, and Twitter may use any data that they gain access to as a result of anyone using holytextures.com.

David Ewart,
March, 2012.
